Software: Figma, Blender, Nomad Sculpt, Godot, Wix/Squarespace, Google Workspace, MS Office Suite
Technologies: Bootstrap, Tailwind CSS, Node.JS, HTML Canvas, Git, GitHub, Unix, Kaboom.js
Languages: English, Spanish (Fluent)

Projects

Responsive Website Development with Tailwind CSS   October 2024
· Created a fully custom homepage using HTML and Tailwind CSS, translating a Figma design into a responsive and efficient web interface without the need for custom CSS.
· Leveraged the Tailwind CSS framework to optimize styling processes, improve development efficiency, and ensure a clean, modern, and mobile-responsive design.

Personal Website   July 2024
· Designed, developed, and deployed a personal portfolio website using HTML, CSS, JavaScript, HTML Canvas, Bootstrap, and GitHub Pages; initiated the project with wireframing and layout design in Figma.
· Continuously update the website to showcase professional work and side projects, leveraging SEO best practices for increased visibility, maintaining the principle of responsive design.

Small Business Website Design & Development   January 2024
· Designed and developed a responsive website for a small business, starting with wireframes and Figma designs, maintaining ongoing communication with the client for feedback and revisions, which led to a 20% increase in site traffic.
· Implemented the website using a mix of custom code and the client's chosen Content Management System, optimizing for SEO and ensuring a mobile-friendly, responsive design.

Relevant Experience

UI/Web Designer   November 2023 - Present
Freelance   *New York, NY*
· Designed and implemented websites for clients using Figma, HTML/CSS, JavaScript, and various CMS platforms (Squarespace, Wix, Wordpress). Optimized websites for SEO to enhance online visibility.
· Created responsive, well-designed websites of varying complexity for individuals, small businesses and startups. Clients include: JOP Bookkeeping & Taxes, Modern Tibet, AVO Electric.

Barista/Retailer (part-time)   April 2024 - Present
Paris Baguette   *Queens, NY*
· Manage over 200 customer orders daily, prepare high-quality coffee, monitor inventory levels, maintain a clean and organized store environment, and carefully package bread and pastries.
